

Objectives	Resources and Strategies	Target Date for Completion	Evidence	Verification
What are you going to learn?	How are you going to learn it?	When do you plan to complete each task?	How are you going to know that you learned it?	How are you going to prove that you learned it?
<i>I will develop my least dominant learning style - Assimilating.</i> <i>In this process, I would like to learn with strategies that are suitable for all learning styles.</i>	<i>1. Participate in discussions with classmate on forums including presenting my own opinion and reply to classmate posts.</i> <i>2. Visit local library and research and read books and articles to increase knowledge regarding David Kolb and experiential learning. Specifically, I will research books and articles written by Boud, as well as Cranton.</i> <i>3. Research and watch videos on YouTube regarding David Kolb and LSI.</i> <i>4. Apply the Kolb's LSI, incorporate activities and strategies that suitable for different learning style in an upcoming workshop- Job Search with Social Media.</i>	<i>Oct 27</i> <i>Oct 10</i> <i>Oct 17</i> <i>Oct 17</i>	<i>Get 100% participation for forum discussion activities</i> <i>Take study notes and cite articles in writing assignment</i> <i>Reflecting theory watched and compare styles in reflection paper</i> <i>Get evaluation from workshop participants</i>	<i>Comments posted on discussion forums</i> <i>Accurately quote references in writing assignments</i> <i>Submit with assignment for Summative: Reflective Analytical paper</i> <i>Ask feedback from participants. Feedback will be documented in evaluation form.</i>

	5. <i>I will continue to work on my critical thinking and ability to formulate theories and guiding principles (assimilating qualities) by taking on the role of group project leader.</i>			
<i>I will increase my knowledge of factors that influence adults learning and understand Maslow's Hierarchy of Needs and apply the theory in my practise in relation of understanding learner's needs and barriers for learning.</i>	1. <i>Participate in discussions with classmate and share my reflections on the learning theory.</i> 2. <i>Use online research to get articles on factors affect learners gather data and analyze data. I will search the 2010-2015 research of Cranton.</i> 3. <i>Conduct interviews of adult learners to get insights on their needs and barriers which affect their learning</i>	OCT 27 Oct 31 Oct 31	<i>Get 100% participation for forum discussion activities</i> <i>Prepare an interview worksheet and take notes</i> <i>Accurately and comprehensively reference theories to analyze reading and cases.</i> <i>Prepare an infographics fact sheet on data gathered</i>	<i>Comments posted on discussion forums for peer review.</i> <i>Include the interview finding in reflection papers and discussion</i> <i>Share researched data in reflection paper and forum discussion. Paper will be reviewed by peers and instructor.</i>
<i>In light of adult learning theories, I will develop awareness of trainer's responsibilities to foster cultural diversity and inclusion in my own practise to create an inclusive</i>	1. <i>Read literatures regarding diversity and inclusion for adult learning. My main research will be of Friere.</i> 2. <i>Apply theory in my own practise and create inclusive environment for my workshops and ask</i>	Nov 7 Nov 31	<i>Take notes on literatures read and able to refer to theorists and apply to real life practises.</i>	<i>Given a situation by instructor, I will be able to identify possible accommodation strategies in relevance to the application of adult learning theory.</i>

	<i>workshop participants on their needs for additional accommodation.</i>		<i>Reflect the actions in final reflection paper on the benefits of creating inclusive environments</i>	<i>Write in reflection paper and forum discussion. Paper will be reviewed by peers and instructor.</i>
